100-16(3)(a)-(b)	The provider shall ensure that the individual who serves food to children: (a) is aware of the children in their assigned group who have food allergies or sensitivities; and (b) ensures that the children are not served the food or drink they are allergic or sensitive to.	☒	☐	☐		☒	At the facility there was a caregiver that was aware that a child had an allergy to eggs and served that child eggs. They said it was an accident. This information was received through an incident report. On 09/22/2023, the licenser verified the director was aware of the allergies of the children and they will ensure the children are not served food they are allergic to as stated in rule. On 11/06/2023, the licenser verified the director maintained compliance
